Motivational Letter for Phakimpilo Program Application

I am currently a final year student who is not receiving any financial assistance such as NSFAS or bursaries. This has made my academic journey very difficult, as I sometimes struggle to focus on my studies while dealing with hunger and other basic needs.

I am passionate about my education and determined to succeed, but I am in need of support to help me stay focused and perform well. Being part of the Phakimpilo Program would greatly help me cope with the daily challenges I face and allow me to fully commit to my studies.

I believe I qualify for this program because I am committed to my academic goals and truly need the support. Your assistance would make a big difference in my life and help me continue working toward a better future.

Thank you for considering my application.

Sincerely,
Nkosinathi
